

Smart engineering of
roofs, walls, pavements
and waterproofing

Building Enclosure Consultant

Inspec, Inc. is actively seeking a motivated and experienced Building Enclosure Consultant to join our team.

Responsibilities:

- Perform Condition Assessments, Design, and Construction Administration services on building enclosure projects, including roofs, exterior walls, windows, and related systems.
- Develop and maintain client relationships and effectively communicate with clients to determine their project needs.
- Serve as liaison between clients and contractors on projects.
- Develop projects from initial concept through construction.
- Lead teams of staff in preparation of construction documents.

Qualifications/Experience:

- 5+ years of unique experience related to assessing, designing, or inspecting roofs, exterior walls, and/or window systems.
- Team oriented; strong technical, communication, and organizational skills.
- Licensed Structural or Civil Engineer or Architect, or ability to become licensed in the future.
- AutoCAD/REVIT experience required.
- RCI professional registrations such as RWC, RRC, RBEC, REWC, REWO a plus.
- Building enclosure commissioning, supervisory experience a plus.

Inspec is an award-winning independent engineering/architectural consulting firm specializing in the areas of roofs, walls, windows, waterproofing, and pavements. Founded in 1973 with offices in Minneapolis, Rochester, Milwaukee and Chicago, Inspec is dedicated to improved design, construction practices, and maintenance of the building envelope.

Inspec offers a competitive compensation and benefits package, including medical, dental, vision, life insurance, 401(k) plan, tuition reimbursement, PTO and paid holidays.

Inspec is an Equal Opportunity Employer; AA/EEO/Veterans/Disability friendly employer. All qualified applicants will receive consideration for employment without regard to race, color, sex, religion, age, sexual orientation, gender identity, national origin or any other characteristic protected by applicable Federal, State, or local laws.
